Dear Exhibitor,

THANK YOU for your enquiry regarding a site at our annual show to be held this year at the Port Lincoln Racecourse, on **Sunday 14th August 2011**.

The show committee will again be working very hard to maximise opportunities for exhibitors. New initiatives are also being worked on to encourage patrons to visit all areas of the showground and to stay longer and enjoy what we will be offering. The success of last four show's were a huge bonus for the committee and we hope this years will be bigger and better. We have secured some excellent entertainment and attractions that will draw a big crowd, which will in return benefit your site.

Setting up of your stall or activity is permissible prior to show day, **only with prior** arrangement with the Site Manager, and must be completed by 9.00 am Sunday. All sites must be staffed during show hours. No exhibitor is permitted to dismantle or move out before 5.00 pm Sunday.

All exhibitors are responsible to maintain adequate change, as the show society does not carry supplies additional to our own requirements.

Exhibitors using cooking facilities must provide an appropriate fire extinguisher and supply in writing a description of the electrical appliances that will be utilised.

Please find enclosed a site application. Site applications must be filled out clearly, accurately, in full and indicate the nature of your site.

*We invite you to capitalise on one of Port Lincoln's biggest annual events and look forward to your participation. If you have any queries or require further information please do not hesitate to contact our site co-ordinator, **Mark Quintel –Ph 0407618816 PO Box 280 PORT LINCOLN 5606**, who is only too happy to assist you.*

Thank you.....
