Dear Exhibitor,

THANK YOU for your enquiry regarding a site at our annual show to be held this year at the Port Lincoln Racecourse, on Sunday 11 August 2024.

The show committee will again be working very hard to maximise opportunities for exhibitors. The success of 2022 and 2023's show was a huge bonus for the committee and we hope this year's will be bigger and better.

- Setting up of your stall or activity is permissible prior to show day, only with prior arrangement with the committee, and must be completed by 9.00 am Sunday.
- All vehicles must be off site by 9.00 am.
- All sites must be staffed during show hours. No exhibitor is permitted to dismantle or move out before 5.00 pm Sunday.

All exhibitors are responsible to maintain adequate change, as the show society does not carry supplies additional to our own requirements.

Exhibitors using cooking facilities must provide an appropriate fire extinguisher and supply in writing a description of the electrical appliances that will be used.

Please find enclosed a site application. Site applications must be filled out clearly, accurately, in full and indicate the nature of your site.

If you have any queries or require further information please do not hesitate to contact our committee via email: info@portlincolnshow.com.au, or PO Box 2727 PORT LINCOLN 5606 , who will be only too happy to assist you.

Thank you,
Semi Skoljarev
President
